

# MOVING TO MEMPHIS

Memphis is located in the Southwest corner of Tennessee along the Mississippi River.

It serves as the county seat of Shelby County and is the largest city in Tennessee. Memphis is full of character and soul, which is to be expected from the city that birthed the blues and rock 'n' roll.

## Quick Facts

- Memphis has a remarkably low cost of living - about 15% below the national average.
- Memphis is perfectly situated between Arkansas, Tennessee and Mississippi. Providing employment opportunities across a variety of industries.
- Known as America's Distribution Center, thanks to companies like FedEx and the area's superior distribution infrastructure.
- The Memphis metro area is home to approximately 1.33 million people.
- Tennessee is one of the lowest-taxed states per capita.

## Memphis Eats

Memphis is home to a thriving food scene with 5-star restaurants, dive bars, neighborhood favorites, food trucks, and of course - barbecue. Whatever your style, you're sure to find something delicious in the 901.
